RE: SOAH Docket No. 473-19-1265
PUC Docket No. 48785

**JOINT APPLICATION OF ONCOR ELECTRIC DELIVERY COMPANY, LLC AND
AEP TEXAS INC. TO AMEND CERTIFICATES OF CONVENIENCE AND NECESSITY
FOR A DOUBLE CIRCUIT 345-KV TRANSMISSION LINE IN PECOS, REEVES, AND
WARD COUNTIES (SAND LAKE – SOLSTICE CCN)**

The undersigned Administrative Law Judges (ALJs) have read the exceptions and replies to the exceptions to the Proposal for Decision (PFD) filed in the above-referenced case. Based on that review, the ALJs do not propose any changes to the PFD.

On March 25, 2019, the ALJs issued SOAH Order No. 12, which admitted additional evidence up to the record close date on March 19, 2019. On April 23, 2019, the parties referred to as Oxy and COG Operating (Concho) filed a motion to admit additional landowner consents. On May 6, 2019, Oncor and AEP Texas filed a motion to admit additional evidence regarding the cost of a recommended modification to Link B2. The ALJs do not oppose those requests to reopen the record for this additional evidence.

Sincerely,

Steven H. Meinast
Administrative Law Judge

Gabriel P. Soto
Administrative Law Judge

Enclosure
